Instructions for Physician

The above named individual is eligible to participate in the employee wellness incentive program at the Louisiana Office of Group Benefits. He or she did not achieve the required health standards that are a part of the program, or was pregnant at the time of the onsite checkups and thus ineligible to participate. In compliance with HIPAA requirements, the Office of Group Benefits accommodates personal physician recommendations for your patient to maintain or improve his or her health. We do not need to know if your patient is pregnant, what your patient's limitations are, or what your plan is for your patient.

By signing below you acknowledge that you have presented a health improvement plan to your patient who is named above or that you have been providing care for your patient during her pregnancy.
