

Complete your preventive care visit from the comfort of home

You are eligible to complete a preventive care **VirtualCheckup** with a Nurse Practitioner from Catapult Health.

After you receive your screening results, you will get an email from Catapult with instructions for scheduling a virtual consultation.

Complete a brief health questionnaire before connecting to a Catapult Nurse Practitioner to discuss your Quest screening results and create a health action plan that is customized just for you.

After your screening, look for an email from Catapult with a link to schedule your virtual consultation.
